

Homage to the Chenrezig, Buddha of Compassion

Avalokiteshvara, Buddha of compassion,
And entourage hear my prayer.
Liberate me and all sentient beings of the six realms
Quickly from the ocean of Samsara.
May the supreme jewel Bodhicitta and profound wisdom
Be quickly generated within us.
All collective karma and mental afflictions since beginningless time
Are purified by your kind and compassionate hands.
Please extend your compassionate hands to me and all sentient beings
And guide us to the land of Sukhavati (Land of Great Bliss)!
Buddha Amitabha and Avalokiteshvara,
Please remain our spiritual teachers for many lifetimes,
Since you have shown me and all sentient beings the true path,
That quickly leads us to Enlightenment.
